

10th Annual "Troney Trot" Registration

What we are about ...

The Michael Petrone Foundation was established in April 1999 to provide charitable funding for purposes that were important to Mike and reflective of the way that Mike lived. These purposes include scholarships, providing significant funding for Summer Day Camps held by the Patrician Society of Central Norristown, helping the homeless, and generally being there to help people in need.

Since our inception, the Foundation has raised more than \$300,000 which has been directly routed to our beneficiaries.

The primary objective of the Foundation is to perpetuate the impact that Mike had in many people's lives and to celebrate the love that his friends and family have for him.
